

# Taylor's Mistake

By Yannis

Yesterday, me and Rain went to Taylors Mistake to do hiking.

There are many mountains to climb.

You can look down the mountain is ocean.

There are also pebble beaches around the sea.

We took many photos on the mountains.

We walked all the mountains for 4 hours.

Then, we went down to drink some coffee and we made a trap by sand

We went to Taylors Mistake  
lots of time but we never  
hiking all the mountains to see  
beautiful ocean.
